

Calista Xu (Quanxin)

2796 E 47th Ave, Vancouver V5S 1C5 Cell: 778-680-2177 **Insagram:** ardyllalxyk

Email: xqxcalista@gmail.com **Artstation:** <https://calistacalisya.artstation.com/>

Personal Projects Website: <https://calistaxu.github.io/>

Experience/Skills

- Proficient in Procreate, Sai, Nomad, Sculpt, Zbrush and Adobe Photoshop
- Experienced with making simple stop motion animation
- Experienced with editing program promotion video
- Participated in the bcy.net platform's painter scholarship and museum anthropomorphic planning activities.

Personal Projects

The “璊 (Tian)”

- The 璊 (tian) usually hangs on both sides of the crown bun and hangs over the ears. Therefore, it was endowed with a kind of etiquette of "listening to opinions with an open mind".
- https://calistaxu.github.io/the_tian.html

The Aoiro Hikari

- The Aoiro Hikari is a concept art of my first original character. It means “The green lantern” in Japanese.
